IN SECOND PLACE

Rock Island Team Takes Another Jump in Percentage Column.

DAVENPORT LOSES SECOND

Both Pitchers Work Well—Timely Hitting Lands Game for Islanders—Won in First.

GAMES TOMORROW.
Cedar Rapids at Rock Island.
Davenport at Dubuque.
Peoria at Decatur.
Bloomington at Springfield.

By taking yesterday's game from Davenport the Islanders jumped into second place in the percentage column and sent the Riversides down to share honors at the bottom of the list. Hard losers as they are, the Davenport fans had grasped at a straw and hoped against hope that something would happen, by some hook or crook they could beg, buy or steal a game from Rock Island. But both the fates and the Rock Island team were against them and once more a few of the best fans in Davenport—the rest are staying away from the games—wended their way out of the gates of the park with anything but smiles on their faces or cheerfulness in their hearts.

Won in the First Inning.
The Islanders won the game in the first inning by getting two scores. While they picked up another in the seventh it was not necessary, for the Riversides were able to push only one man across the plate.

Davenport fans have said for many months that Ruby is unkind, but not an Islander would have believed it before that afternoon. But in the fourth inning he fully demonstrated that he does not love his enemies nor do good to those who spitefully treat him. Haven't those Davenporters seen Ruby play that field from the carriage line to the fence and from the fence to the base lines? Haven't they yelled their eyes hoarse when he would run across the field and do those one-handed stunts? But yesterday when he ran far beyond the carriage line and grabbed Nieman's foul with one hand not a Davenport hand was heard. It was pitiful to hear the remarks dropped in the grand stand about players and management and other things along that line.

Pitchers Worked Well.
Exceptionally good work was done by both pitchers. Morrison was in the box for Davenport and held the Islanders down to five hits, striking out eight men. Wallace worked steadily

and kept the eight hits scattered so that they were not good for much while on the contrary the Islanders made hits material elements in all of the three scores. Wallace gave only one pass as against four by Morrison.

Ruby and Sweeney Score.
In the first inning Ruby reached first on an error by Crockett and went to second while Lister was being caught at first. Sweeney hit, scoring Ruby and came home himself on a passed ball.

In the seventh Hank Walters hit one that went into the air and nobody seemed to know where it was coming down. It finally dropped behind the shortstop's position, and Burg, McGreevey, Harrod and Webster all stood looking on. The ball rolled around on the ground and each one seemed afraid to touch it. Meanwhile second base was left unguarded and Walters went down and there was nobody there to catch him. He advanced on McConnell's sacrifice and scored on Carlisle's long hit into left field. The score:

Diamond Dust.
What did Stauffer do yesterday?
What did Wallace do yesterday?
What did Ruby do yesterday?
Davenport passed another bad night. The wind worked against any heavy hitting.
That double play made by Sweeney-Waller and Lister in the ninth caused something of a relief.
Waller got himself in bad shape and then caught a fly from Harrod with one hand. The wind made it a difficult catch.

By winning yesterday Rock Island jumped over Springfield and Dubuque and landed in second place. Here's hoping we may stay there or do better. Mighty bum team work by Davenport. And right after they had fallen down on a short high fly to left, the Islanders turned about and gave them an object lesson.
It was a shame for Hank to make that two base hit, but there was nothing else to do when half of the team was playing ring 'round rosie with the ball.

Davenport fans are going to get Webster's scalp. They are after it, you may have noticed. They are after McGreevey, too. "Hit the ball and stop chewing," was the advice given him yesterday when he objected to a strike called on him.

Cedar Rapids, 3; Dubuque, 0.
Cedar Rapids, Iowa, June 6.—Combinations of doubles, triples, and singles won the game for Cedar Rapids. Stauffer pitched a fine game and was given errorless support. Score:

GOSSIP OF THE GAME

The lawn mowing process is becoming infectious. Vaundine and Walters fell under the machine this morning.

The Rabbits come tomorrow and the Islanders will enter upon another short series on the home grounds.

When you are coming home from a ball game in Davenport, passers in the streets do not ask you about the score nowadays. They pretend not to care.

They are still talking in Davenport of that catch of the high one back of short by Carlisle. The wind made it a brilliant piece of work, and "Car" juggled it while running 40 feet before he finally knew he had it.

Springfield papers state that the association of that city has made a mistake in not providing seating accommodations for at least 5,000 people in the park. Hundreds are said to be kept away because of lack of seats.

Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia cure, your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. It builds up and strengthens the entire system. Kodol cures indigestion, dyspepsia, belching, sour stomach, weak heart, etc. Sold by all druggists.

POISON BLOOD

Is the cause of the most dread and deadly diseases that afflict humanity. Rheumatism, Boils, Carbuncles, Scrofula, Ranning Sores and Contagious Blood Poison are some of its manifestations. If afflicted, don't take a remedy that is worse than the disease. Beware of preparations containing mercury and other mineral poisons, or your last state will be worse than the first.

SENNOWALD'S PRESCRIPTION FOUR THOUSAND

is prepared exclusively from roots, herbs, etc. It is the most thorough, effective and lasting blood purifier in existence. It will positively and permanently cure any form or stage of blood poisoning, even those caused by poisonous remedies. Costs only \$1.50 per bottle and from two to three bottles will convince anyone of its magical effects. Isn't it worth trying? Get it of your druggist or sent direct by express in a plain sealed package.
E. A. SENNEWALD & CO.,
800 Hickory Street, St. Louis, Mo.

LIMITED STICKS

Rock Island's Golden State Will Run Through Summer Also.

TAKES PLACE OF FAST MAIL

Will Take Care of Contracts Just Lost by Santa Fe—Time Card is Made Up.

The Rock Island made the announcement yesterday that its Golden State limited train, by way of El Paso and the Southern Pacific to the Pacific coast, will not be withdrawn from services for the summer months, as heretofore has been done, but will continue to make daily runs throughout the year.

It had been announced that the train would be taken off last Sunday and the time cards were made up with this in view.

The reason seems to be that the Santa Fe has lost the contract for carrying the United States mail from Chicago to southern California and the Rock Island and the Southern Pacific railroad have secured the contracts both from Chicago and St. Louis and southern California. To avoid running a special fast mail train between Chicago, St. Louis and Los Angeles the Rock Island and Southern Pacific concluded it would be a saving of money to them to continue the Golden State limited and make it perform the mail service.

Makes Record Run.

The Pennsylvania railroad broke all records between New York and Chicago yesterday by making the run of 597 miles in 17 hours flat. This feat was accomplished by two special trains, one running from New York to Pittsburg in eight hours and 50 minutes, and the other making the trip from Pittsburg to Chicago in eight hours and ten minutes. The runs were trials of speed to demonstrate the ability of the Pennsylvania to put an 18-hour train into service and make the schedule with ease under ordinary circumstances.
